RE: NEW DEPLOYMENT ON CROWN PRINCESS IN SUMMER 2021 SAILING TO MEXICO, THE CALIFORNIA COAST AND ALASKA! ALSO NEW PANAMA CANAL SAILINGS IN FALL 2021.

We are pleased to announce Crown Princess sailing for the first time ever on a Summer deployment from Los Angeles! Crown Princess will sail on 20 new cruises sailing roundtrip Los Angeles from May until September 2021. These sailings range from 4 to 14 days and sail the coast of California, to Alaska and to the Mexican Riviera.

For the California Coast and Mexico, this season has many opportunities for more in-depth exploration of the region, with a More Ashore overnight or late night on every sailing. Our sailings along the California Coast include late night stays in San Francisco and San Diego on every 7-day Classic California Coast and San Diego on every 4-day West Coast Getaway. Our Mexico program includes overnights in Cabo San Lucas on every 5-day Cabo San Lucas Getaway. Also, as a holiday special, this season includes 4-day West Coast Getaway sailings for Memorial Day and Labor Day.

Crown Princess will sail to Alaska in July on two departures of a 14-day Inside Passage featuring the most popular destinations in Southeast Alaska including Juneau, Skagway, Ketchikan, as well as calls to Sitka and Prince Rupert in British Columbia, Canada.

To round out Crown's Summer deployment, the ship will sail for the first time on a 15-day Full Transit of the Panama Canal to Fort Lauderdale, as well as an additional 10-day Panama Canal with Costa Rica & Caribbean voyage roundtrip from Fort Lauderdale.
