SILVER NOVA COMING SUMMER 2023

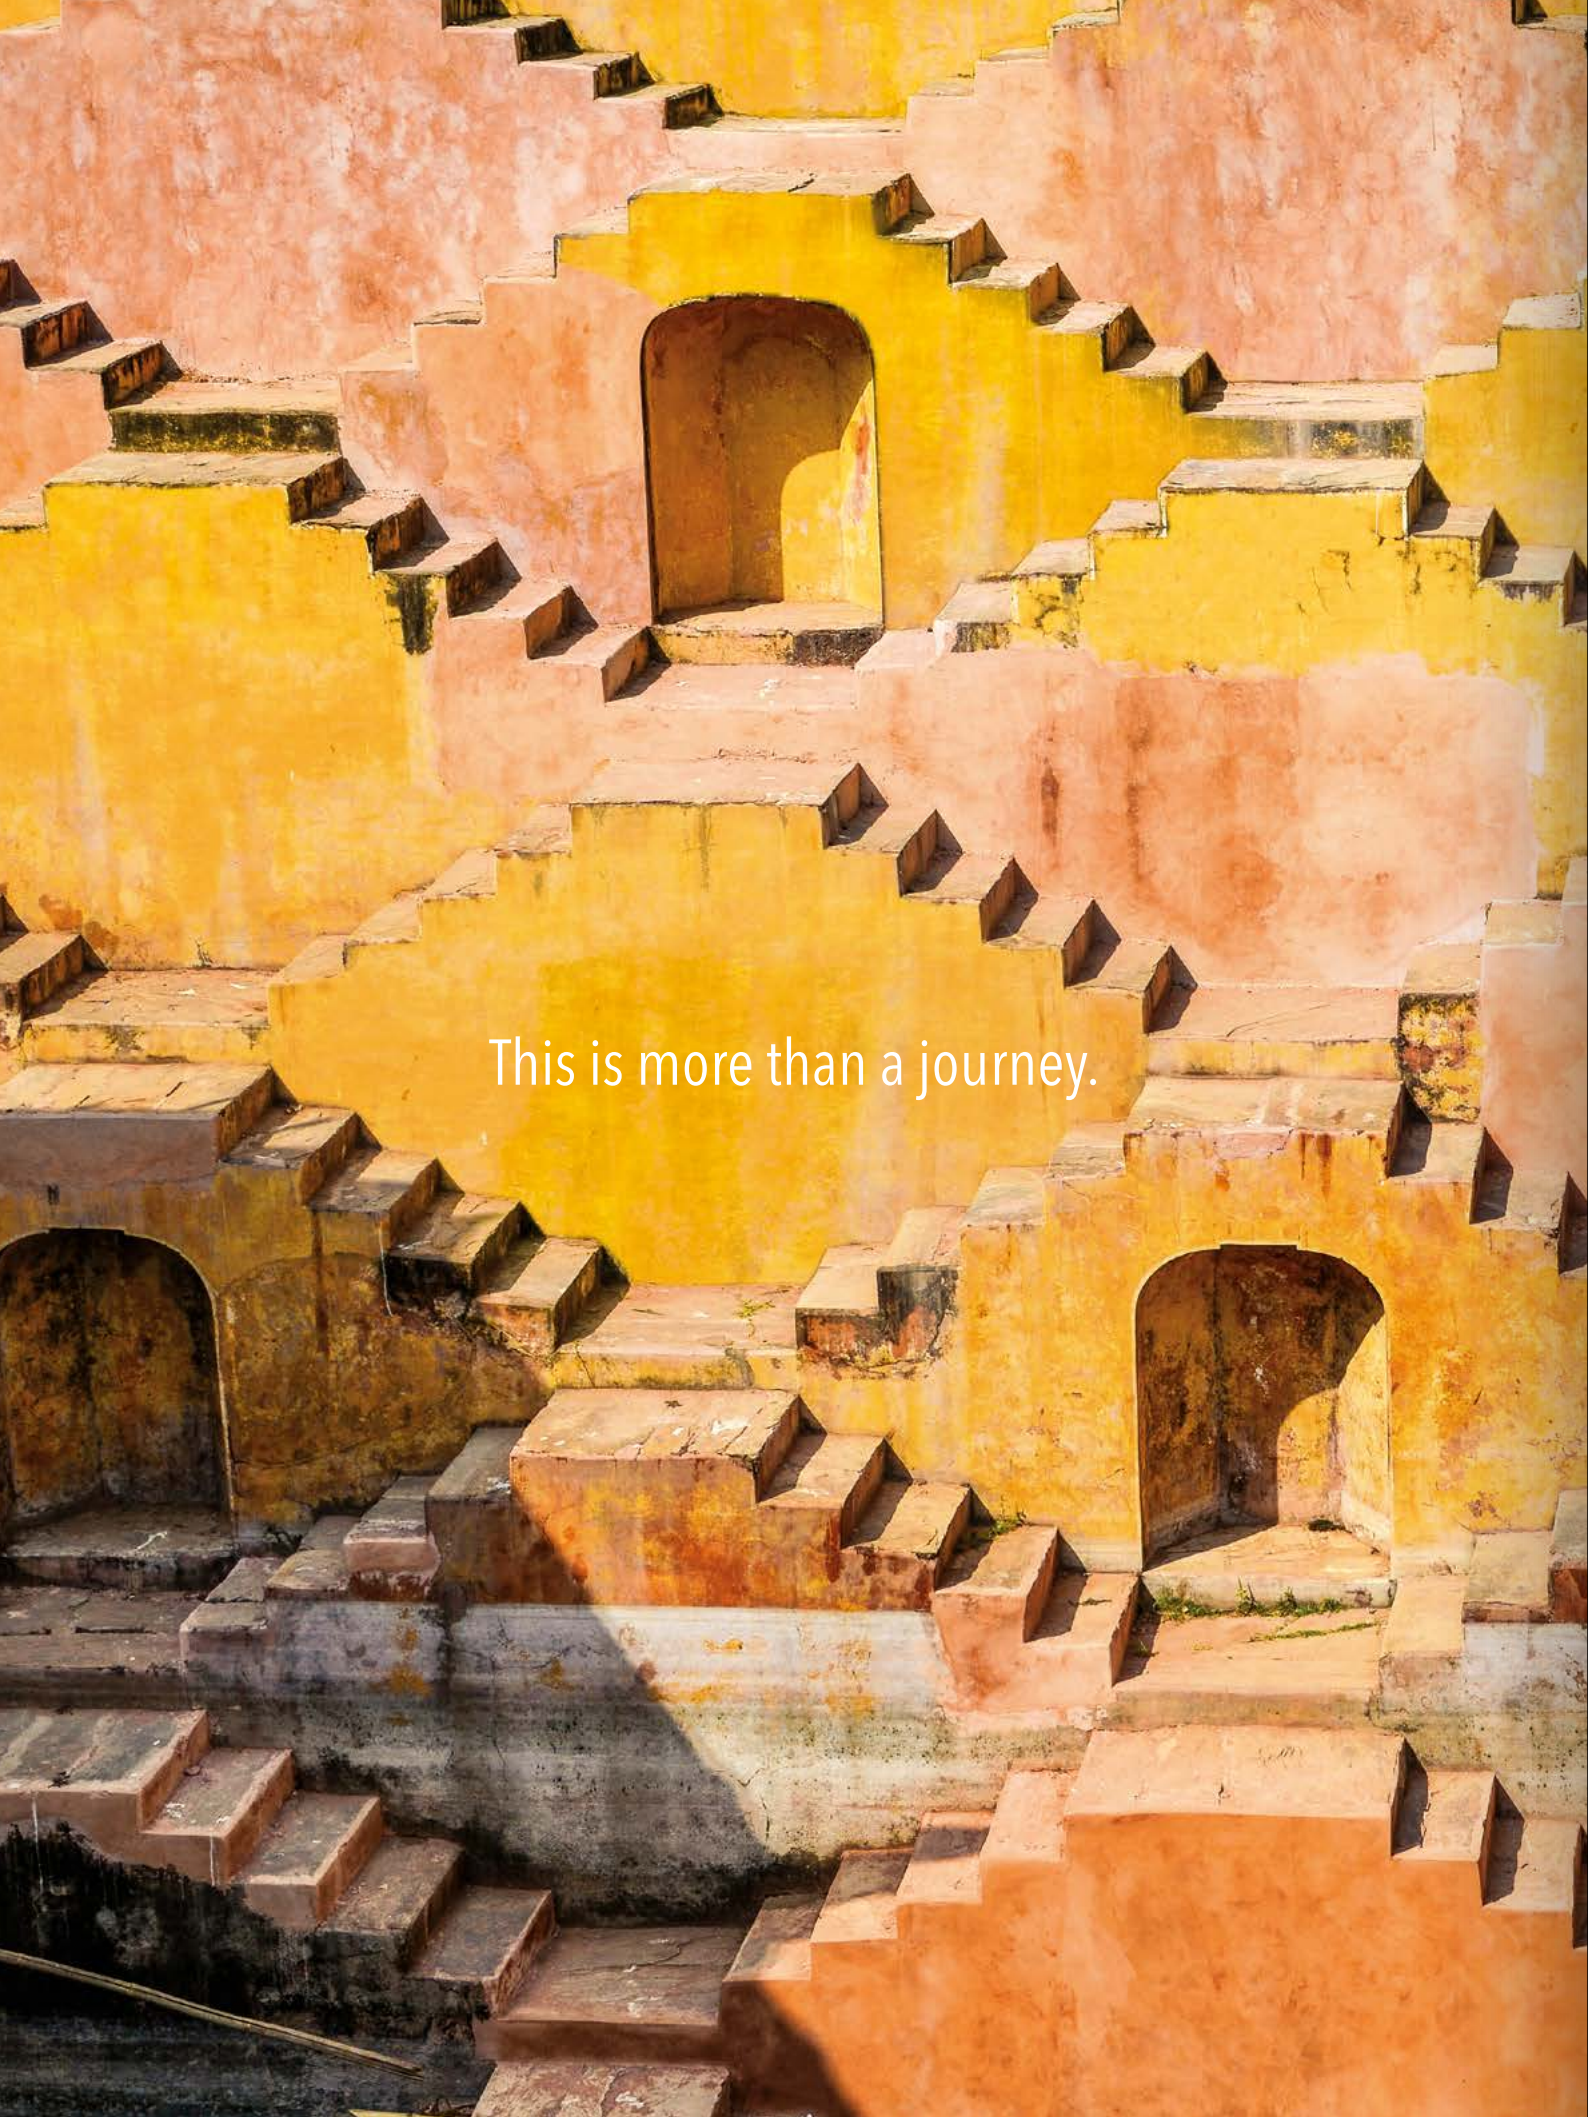

A NOVA WAY OF TRAVELLING

I am delighted to introduce *Silver Nova*. Named after the Latin for new, *Silver Nova* personifies Silversea's new direction of sustainable, ultra-luxury sea travel. Her revolutionary design redefines traditional standards of cruising, while personalised experiences fuse onboard indulgence with deep destination authenticity. To say she is spectacular is an understatement. *Silver Nova* propels our fleet towards a new vision of the future.

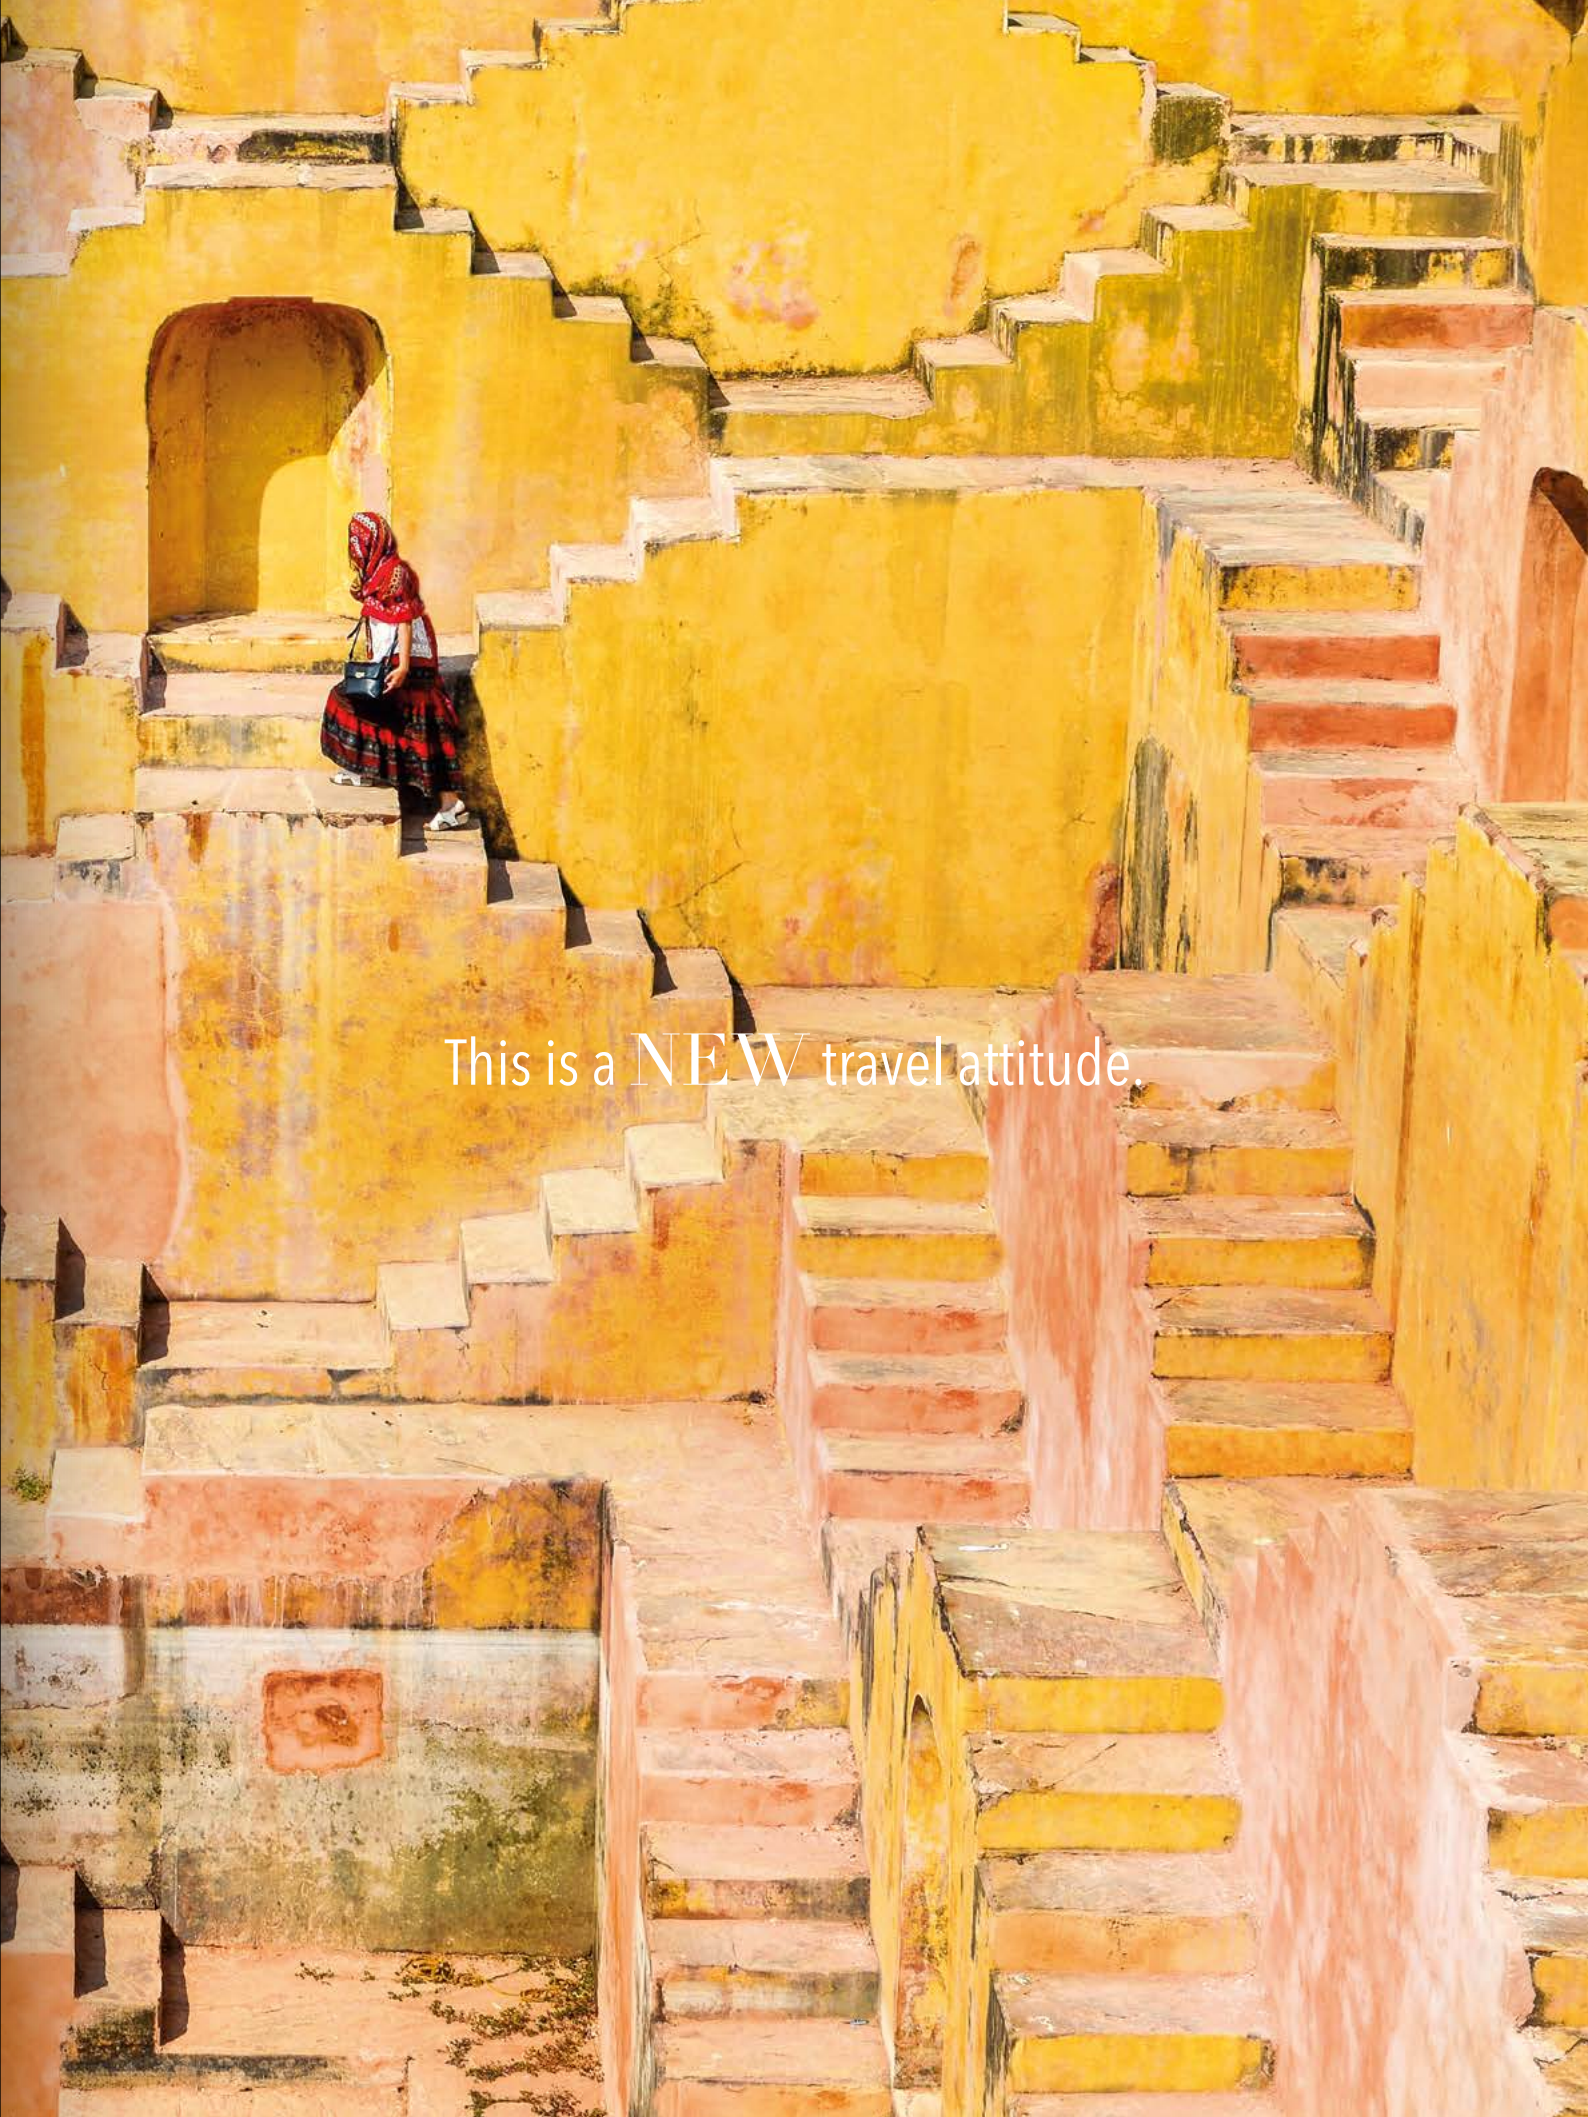

The ship is a leap forward in our commitment to sustainable design and our journey to reduce our environmental footprint. Not only will she feature a mix of advanced technologies, but she will be the first hybrid, luxury cruise ship free of emissions while in port – an industry first. *Silver Nova* is far more than our newest ship; she is a Nova way of travel.

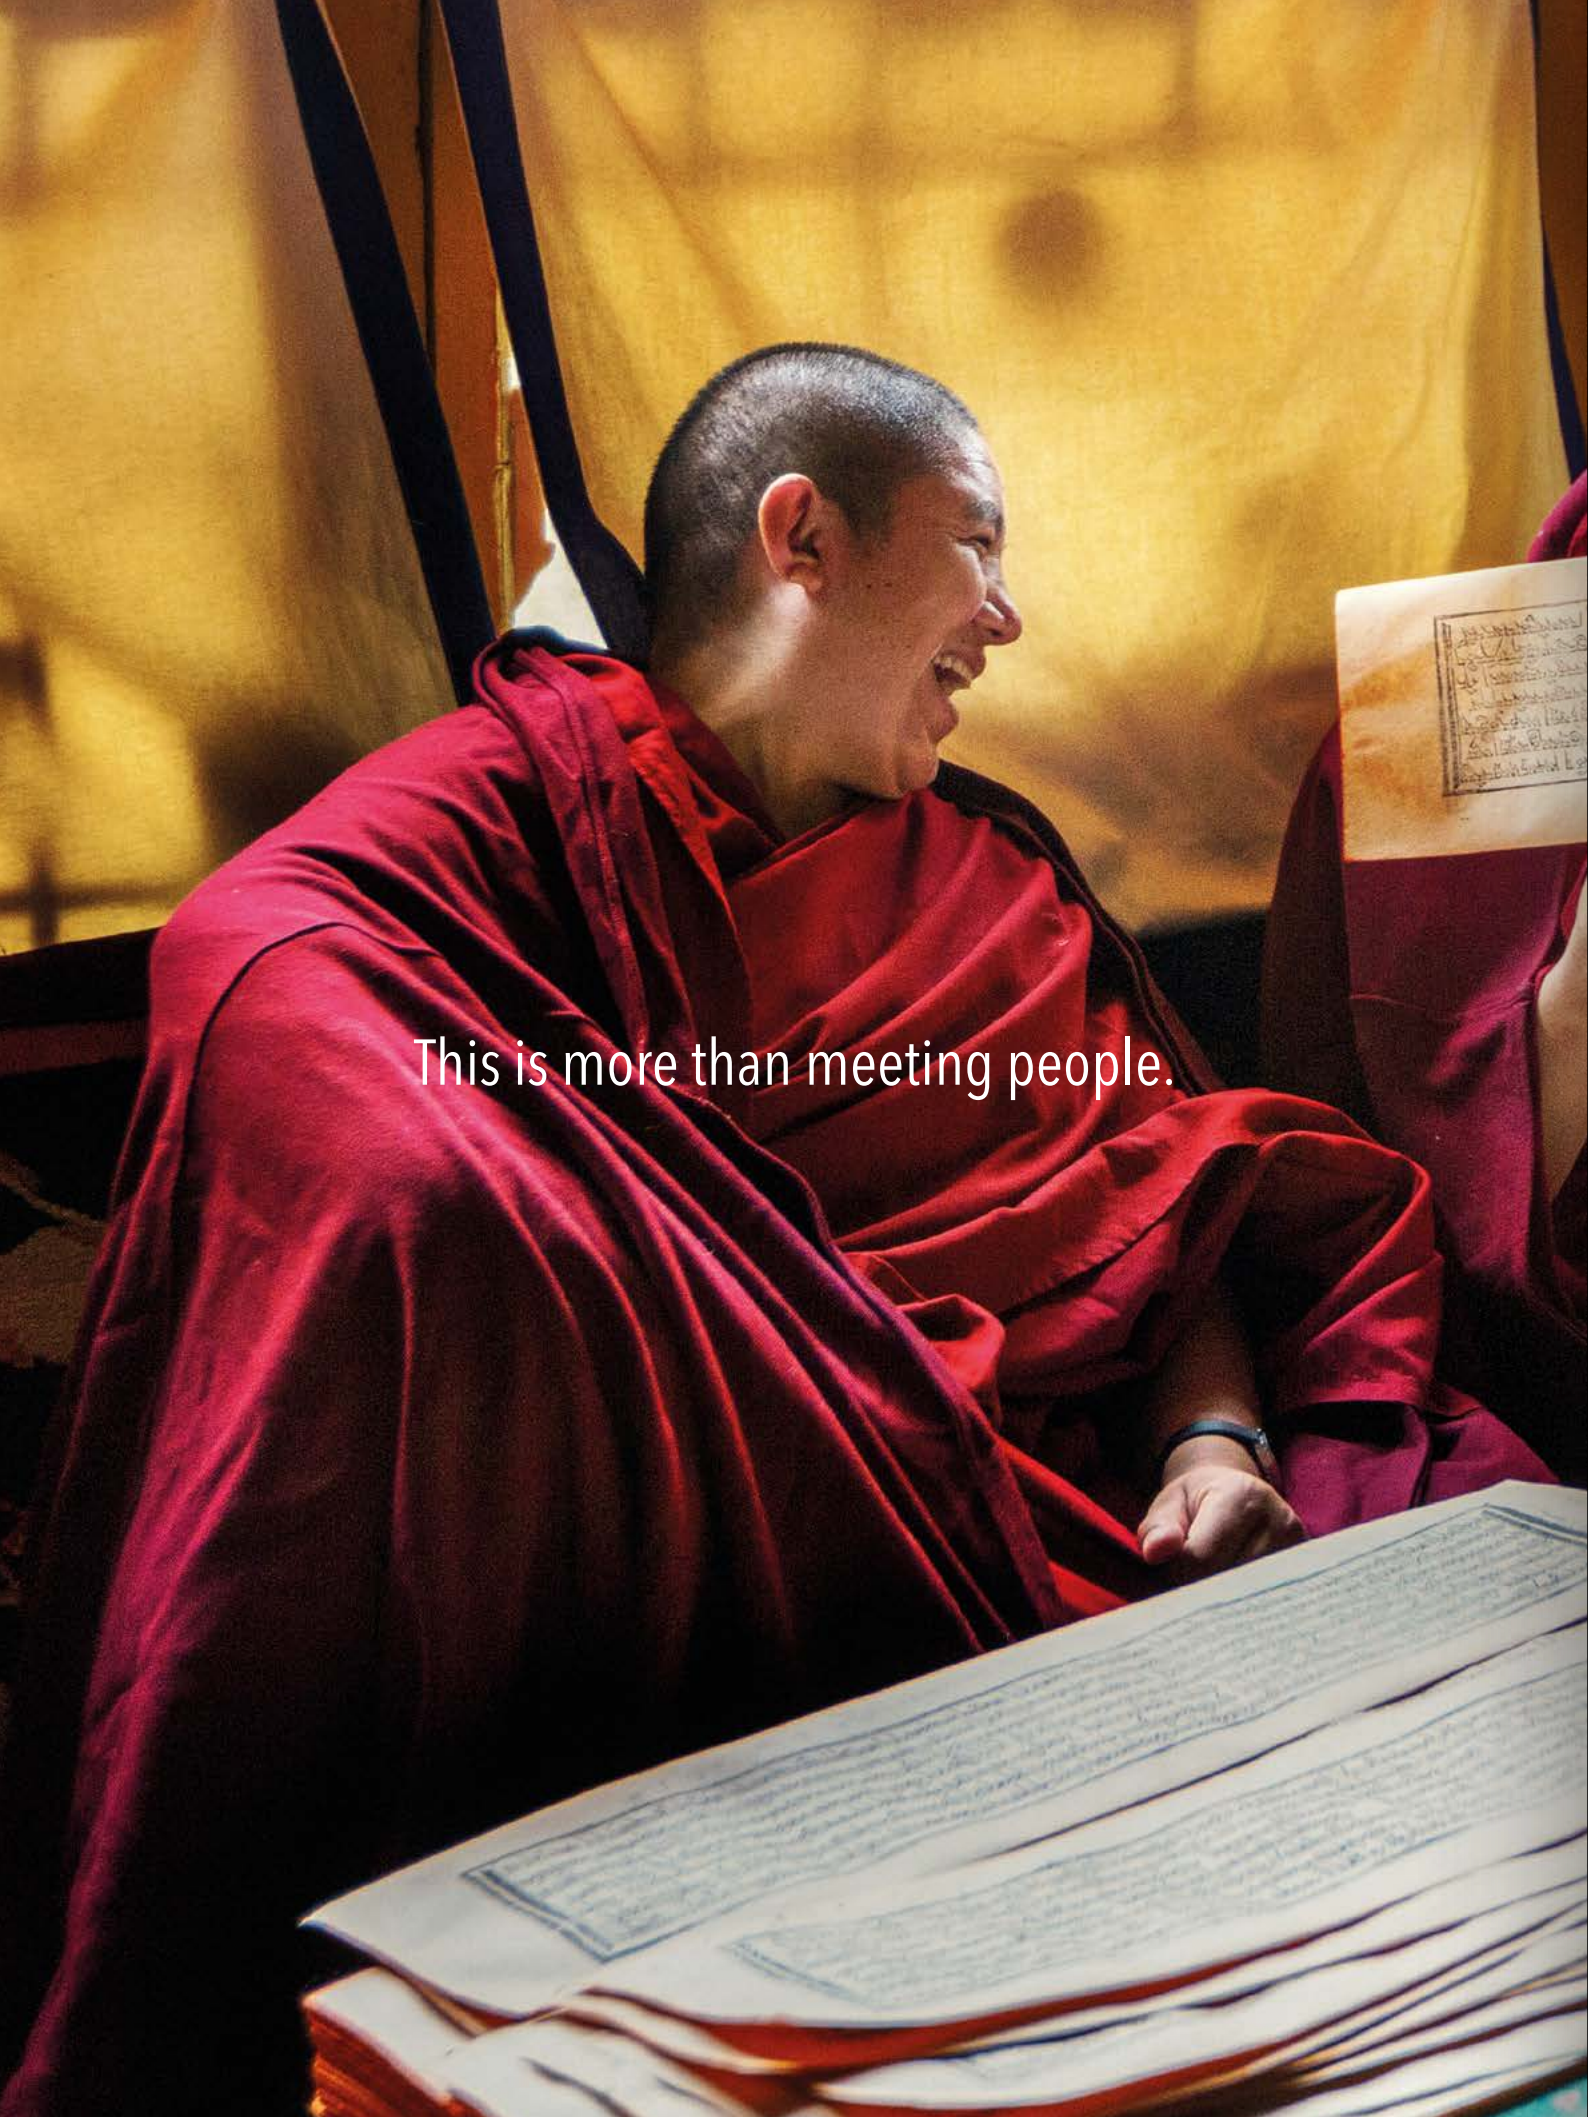

Barbara Muckermann
